## EXPERIENCE

---

- **Testing Engineer**

Since December 2024, I have been working as a Testing Engineer at Soilmate Laboratories and Consultancy LLP, Ahmedabad. My responsibilities include performing field and laboratory tests on construction materials such as soil, aggregates, cement, and concrete. I assist in ensuring that materials meet relevant standards and project requirements. I also help in preparing test reports, maintaining lab equipment, and supporting quality control processes. Working closely with engineers and project teams, I contribute to the smooth execution of testing activities for various construction projects.

## SOFTWARE EXPERTISE

---

- Autocad
- Stadpro
- QGIS
- Microsoft office

## AREA OF INTEREST

---

- Structural Analysis and Design
- Quality Assurance and Material Testing
- Geotechnical Analysis
- Earthquake Engineering
- Research Project
- Geospatial Data and Remote Sensing

## KEY ACHIEVEMENT

---

- 1st Runner up in Quiz Competition
- Chartered Public Accounting Certification Sponsorship from Green Nepal Foundation
- A NSS Volunteer and attained Annual Camp from University
- Students Placement coordinator

## LANGUAGES

---

- English (Proficient)
- Hindi (Proficient)
- Nepali (Proficient)
- Gujarati (Competent)
